These pictures of Dr. F. Franklin Mohr of Providence, and his secretary, Miss Emily C. Burger, were taken several weeks ago. They show the pair as they looked before the murder of the doctor when he was driving Miss Burger to his home in Newport last week. The doctor was killed by three negroes, and Miss Burger was dangerously, but not mortally, wounded. Mrs. Mohr was arrested. The negroes said in a confession she had employed them to kill her husband.
